ESASO Forum 2020

RETINA

19-20 June 2020

PROGRAMME

GENERAL INFORMATION

Keep safe, relax at home and join the ESASO e-Forum Retina.

Based on the current situation, the format of the Congress will be Online, through the digital ESASO educational platform, e-Los for all ophthalmologists.

Discover a new way to enjoy knowledge, Learning never stops!

eLos provides a new interactive training model dedicated to ophthalmologists. It aims to disseminate scientific content related to the different fields in ophthalmology (retina, glaucoma, cataract, cornea, oculoplastic, uveitis, dry eyes, ...) It is a communication hub for the management of a scientific community, where groups can be organized and divided into categories.

All the content of the ESASO eForum will be available live or on demand, so you can revisit all the lectures whenever you want.

Registration fee €100 that includes:

- participation on Friday 19 June and Saturday 20 June to the Congress
- free access to all eLos contests
- the possibility to interact in the Community
